To access PipeTracker visit pipetracker.yvw.com.au The Land Development Handbook describes Yarra Valley Water policies in developing, redeveloping or subdividing land within the Yarra Valley Water Area. The Yarra Valley Water Service Response Team is still available to answer high-priority calls, such as bug reports. Land Development Handbook (PDF 583KB) Guidelines for Building on Bondage These guidelines provide an outline of requirements when built within a bondage, or within 1m of a Yarra Valley water asset. It details the requirements of service, design, construction, 3 quality assurance and auditorÁa policy for soil development activities. Payment of costs associated with advancing the provision of shared infrastructure assets, if required prior to the Yarra Valley Water Asset Development Sequence Yarra Valley Water Metrics 3 and Drawings These are used as a reference to meet any requirements and meet the standards associated with 3 and services. However, anyone planning to dig must continue to use the Dial Before Digging service to obtain information 3 other buried infrastructure. Developers Developers are responsible for: Provide reticulation assets 3 the cost of connecting those assets to the Yarra Valley water infrastructure Pay the costs and build the sewer network to ensure a new multilot development is removed from a combined drainage. Easement Construction Guidelines (PDF 3.71MB) Recently there have been changes to the guidelines for small sheds, rainwater reservoirs and retaining walls. Currently Yarra Valley Water Water Water The response team receives 7,000 calls a year from plumbers, who are on site diagnosing water or sewer problems. View Property List Now Receiving Sewer Services Sorry! No agents available now Other contact options We are very excited to be able to extend this to plumbers", said Mr.Wilson. Visit the Community Sewerage Program Information PROPERTIES AND NOW SEALEZA SERVICES We have built sewage infrastructure so that the following properties can be connected to the sewage system. Negotiating framework for the responsibility of developers for the provision of services Yarra Valley Water Yarra Valley Water is responsible for providing shared infrastructure assets (such as masterworks, treatment plants, pumping stations, trunk pipes and sewers) with sufficient capacity according to a predetermined development plan. Glenn Wilson, General Manager of Service Futures at Yarra Valley Water, said the map will give plumbers the information they need in the palm of their hand. "PipeTracker" is compatible with mobile devices and has been designed to respond directly to the needs of plumbers, saving them time and eliminating the need for them to call Yarra Valley Water while they are on site. Plumbers can get in touch to find out where customers' plumbing is connected to the Yarra Valley water network so they can locate, diagnose, and solve problems. Pricing Handbook 2021-22Á (PDF, 471 KB) Negotiating Framework for Developers The Negotiating Framework sets out procedural and information requirements that are relevant to the services to which Developer Charges (NCCs) apply. Once the works are finished, these properties will be declared properties with services. See the changes in the BOE guidelines (PDF of 465 KB) Price Manual The price manual provides a complete list of the products, services and standard prices of Yarra Valley WaterÁ à ¢. A copy of the declaration in accordance with Article 144 of the Water Law of 1989 was published in the Government Gazette of 1989. This must be considered before starting any work. PipeTracker also provides instant information, up-to-date and more detailed about Yarra Valley Water assets compared with the National Reference Service Á ¢ à ¢ Dial Before You DigÁ ¢ à ¢ that is currently widely used. Á ¢ Aœ We interviewed many different plumbers to find out what they really needed the tool, then we maintained the design as simple as possible to be easy and quick to use. Á ¢ Aœ The final product is something that will make your life much easier in the field and will allow them to solve more quick problems. While á ¢ we can not provide a date on which sewerage services will be available, you can monitor the progress of our works, here. It works here.
